MEMORANDUM FOR THE ADJUTANTS GENERAL OF ALL STATES, PUERTO RICO,
THE VIRGIN ISLANDS, GUAM, AND THE DISTRICT OF
COLUMBIA

SUBJECT: (All States Log Number P92-0068) FY 92 Midyear Review
Technician Pay Adjustments

1. There will not be a February 1992 Funding Authorization Document. To help you in determining your required pay adjustments for Midyear Review, each account's revised balance is provided at attachment.
2. Each form displays prior distribution for regular technician pay, revised distribution for regular technician pay (to be distributed at midyear), plus any special distributions (e.g. Drug Program, OWCP, LOG MOD, etc.). The bottom line (Revised State Funding) is what you must use in determining any required changes during the Midyear Review process.
3. As funding is very constrained, you are requested to carefully review these funding levels and to identify any funding turn back as soon as possible. This will allow NGB-ARM-PB adequate time to reprogram resources to under funded accounts.
4. The POC for this action is Myra Miller, DSN 286-7564, commercial 703-746-7564.
